SUPPLEMENTARY INFORMATION:

Background

On April 5, 2016, the Department of Commerce (the Department) initiated an antidumping duty investigation of imports of phosphor copper from the Republic of Korea.¹ The notice of initiation stated that, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.205(b)(1), we would issue our preliminary determination no later than 140 days after the date of initiation, unless postponed. Currently, the preliminary determination is due no later than August 16, 2016.

Postponement of Preliminary Determination

Sections 733(c)(1)(B)(i) and (ii) of the Act permit the Department to postpone the time limit for the preliminary determination if it concludes that the parties concerned are cooperating and determines that the case is extraordinarily complicated by reason of the number and complexity of the transactions to be investigated or adjustments to be considered, the novelty of the issues presented, or the number of firms whose activities must be investigated, and additional time is necessary to make the preliminary determination. Under this section of the Act, the Department may postpone the preliminary determination until no later than 190 days after the date on which the Department initiated the investigation.

The Department determines that the parties involved in this phosphor copper investigation are cooperating, and that the investigation is extraordinarily complicated. Additional time is required to analyze the questionnaire responses and issue appropriate requests for clarification and additional information.

Therefore, in accordance with section 733(c)(1)(B) of the Act and 19 CFR 351.205(f)(1), the Department is postponing the time period for the preliminary determination of this investigation by 50 days, to October 5, 2016. Pursuant to section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19
CFR 351.205(f)(1).

Dated: July 29, 2016.

Ronald Lorentzen,
Acting Assistant Secretary
for Enforcement and Compliance.
